

## **Motivation letter**

If elected as Vice-President of the IEEE Algerian Section, I will provide IEEE with effective and enthusiasm. My focus will be to:

- Expanding the IEEE Algeria Section by inviting new colleagues and students.
- Inviting members of the IEEE International Editorial Board to promote inclusivity and diversity of technological expertise to our Section.
- Facilitating knowledge search with recommendations for the IEEE Algerian members.
- Working closely with the President of the IEEE Algerian Section to better align our goals.
- Ensuring trust, transparency, sustainability, and participation of IEEE Algerian members in IEEE management.
